## Agenda

- 8:00am      **Coffee and pastries sponsored by IBM Premier Business Partner Jeskell**
- 8:30am      **Using z/VM in a SCSI Environment**  
By Steve Wilkins, Senior Software Engineer, IBM z/VM Development
- Steve will provide an overview of z/VM's new native support for SCSI disks and how it can be used to install, IPL, and run your z/VM system in SCSI environment.
- 9:30am      **Linux: A User Story**  
By Marcy Cortes, Senior Systems Programmer Wells Fargo Bank
- Come and hear how Wells Fargo implemented Linux under z/VM and why they did it. Marcy will share with us her triumphs and travails while explaining the reasoning behind the adoption of Linux. You don't want to miss this exciting story!
- 10:30am      **Break**
- 10:45am      **A Presentation and Demo by Aduva**  
By Tony Tomarchio, Product Support Engineer, Aduva
- Aduva's OnStage(tm) Suite provides benefits throughout the entire Linux lifecycle, so Linux servers are rapidly moved into production and efficiently maintained even under the pressure of Linux's dynamic change. Tony will discuss how OnStage functions and how it will benefit you and your Linux deployment and will include a live demo of IBM WAS and DB2 automated deployment.
- 11:45pm      **Raffle**  
To encourage and reward those who fill out the evaluations and attend the entire meeting, we will be having a drawing at the end of the day for fun prizes! You must be present to win.
- 12:00pm      **Lunch**  
Lunch is sponsored by local IBM premier business partner Jeskell.

**Directions to 425 Market Street:** IBM is located at the corner of Market and Fremont Street in downtown San Francisco; near the Embarcadero BART Station.
